**REQUEST FOR CERTIFICATE OF CORRECTION  
PURSUANT TO 37 C.F.R. § 1.323**

Certificate of Correction Branch  
Commissioner for Patents  
P. O. Box 1450  
Alexandria, Virginia 22313-1450

Dear Sir:

This request for a Certificate of Correction seeks to correct grammatical errors in the above-identified patent pursuant to 37 C.F.R. § 1.323. The grammatical errors include:

In claims 27-31, "The process of claim 26" should read --The process of claim 25--.

Applicant respectfully asserts that the errors are typographical in nature and are mistakes of minor character because the requested change would not materially affect the meaning of the patent. This correction would further provide proper antecedent basis for the phrase "sputtered material," which is introduced in claim 25, not claim 26, and is found in each of claims 27-31; this further evidences that the errors are typographical in nature.

Applicant further respectfully asserts that the correction does not constitute new matter nor require reexamination. This is evidenced by claims 5-10, which are dependent claims of another independent claim in the above-identified patent and which are similar in scope to claims 25 and 27-31. Claims 6-10 are illustrative of the appropriate dependency of claims 27-31, and claims 27-31 were meant to shadow that dependency.

The fee of \$100.00 as required under 37 C.F.R. § 1.20(a) is submitted herewith, and a favorable ruling on this request is respectfully requested. The Commissioner is authorized to charge any additional fees required by this paper, or credit any overpayment, to Deposit Account No. 04-1420.

Respectfully submitted,

DORSEY & WHITNEY LLP
